

ELE1EDP: Counter circuit 2007

Parts Borrowed

Students: to **order** the parts, you must sign and submit this form to a **demonstrator**, otherwise your lab mark will be **nullified!** By **signing**, each student acknowledges that s/he has **borrowed** parts in the quantities listed below, and is **responsible** for all parts borrowed, and for their **return** in **good** condition.

Bench	Day of Week (Mon-Fri)	Date	Time

Student ID	Family Name	Given Names	Signature

A **demonstrator** must ascertain the quantities **borrowed** and **returned**, promptly fill in the **correct numbers** in the table below, confirm that all parts are **received** in **good** condition, and **only then sign** it.

Part	Quantity Borrowed	Quantity Returned
5V DC power supply	1	
Prototyping board	1	
I/O Board	1	
Pair of Cutters		
Pair of Pliers		
4040 Counter	1	
555 Timer	1	
10 μ F electrolytic capacitor	1	
10 nF nonpolar capacitor	1	
8k2 resistor	1	
68k resistor	1	

Demonstrator's Signature upon return of all parts in good condition:

.....
